Happenings at The Mount

NOVEMBER–DECEMBER 2026

As the church year reaches its finale, we move to the expectant waiting of Advent and the joyful celebration of Christmas.

Pour a Hot Mug of Cider and Pull Up a Chair: A Cozy Note from your Pastor

Dear fellow servants of the faith at the Mount, Mt. Horeb Lutheran.

The temperatures are finally dropping, the leaves are doing their gorgeous annual color-change routine, and the universe is practically screaming at you to **grab a flannel, curl up on the porch, and reflect on your blessings.**

But let's be honest for a second. You might be sitting on that porch right now, looking at the drafty windows you need to fix, other chores that did not get done during the high heat of this past summer. Or you might be thinking about your upcoming holiday schedule, feeling a bit numb. If you aren't entirely sure what you're thankful for this year, **that is completely okay.**

If you're in a bit of a spiritual winter, let's take a look at the map together.

Blessing Flips and Pocket Change

If we flip open the **Gospel of Matthew (5:1-12)**, we find Jesus turning the world upside down with the Beatitudes. Every line starts with *"Blessed are..."* but the list includes the grieving, the poor in spirit, and the peacemakers. It was a total shock to a culture obsessed with wealth, power, and being the loudest person in the room. I wonder: how would our daily stress levels change if we remembered **how blessed we are in every single season of life**—even the messy ones?

Speaking of Matthew, you might have caught my devotion in the latest Irmo Chapin Magazine. I wrote about the time Jesus was handed a coin, looked at Caesar's face stamped on it, and essentially said, "Give Caesar his pocket change, but give God what actually belongs to Him." It makes you think:

When God looks at your heart, does He see His own reflection? Or have we accidentally let the world, our busy schedules, or our anxieties stamp their own logo over His image? Now is the perfect time to clean off the canvas and remember who we truly belong to.

Buckle Up, It's Advent

We are officially standing on the doorstep of Advent, preparing for the arrival of our King of Kings, Jesus Christ. And if you think the Bible paces this out like a calm, predictable holiday movie, think again:

- **The Talents:** Jesus drops a parable telling us to stop sitting on our hands and start using our gifts for the common good while we still have time. No pressure!
- **Isaiah & Psalm 80:** The Psalmist is pleading for rescue, and Isaiah is practically begging God to rip the heavens open and come down.
- **The Gospel of Mark:** Mark completely skips the cozy manger scene. Instead, he bursts out of the gate with John the Baptizer shouting in the wilderness, "Prepare the way of the Lord; make his paths straight!"

In a world that can feel incredibly heavy, violent, and chaotic, we don't hide away. We gather around timeless, tangible signs of hope: **Word, water, bread, and wine.** We eagerly shout, "Stir up your power, and come!"

A Little Help for Your Porch Reflection!

Speaking of preparing the way, keep an eye on your mailbox! We will be mailing a family devotion titled **The Jesse Tree** for the households of our members, Preschool Staff, and families of our preschoolers. At the end of each day's short devotion are 4 questions to wonder about together, followed by a prayer. We are confident that this resource will encourage you and draw you closer to how our Lord is inspiring you through these remaining months of the year.

The Ultimate "Plot Twist" Response

Finally, the story brings us to a startled young girl in Nazareth. The Angel Gabriel drops out of nowhere and says, "Greetings, favored one! The Lord is with you." Mary was, understandably, completely terrified and deeply confused.

But the angel gives her the ultimate comforting command: **"Do not be afraid."** Mary doesn't argue, make excuses, or ask for a three-week extension to think it over. She simply says: **"Here am I, the servant of the Lord; let it be with me according to your word."**

So as you head into the holiday rush, try to mute the noise of the world. Take a deep breath, accept the reminder to not be afraid, and try giving God a simple, courageous, "Here am I." The blessings He pours through you just might change someone else's life.

After all, that's exactly what we are about in this ministry—**welcoming absolutely everyone to come however you are.**

See you on Sunday *(flannel and all),*

—Pastor Ron Philabaum

Dinner at Eight, Dead by Nine

Come see our own **Pastor Ron** in the outlandish role of Chef Ramon in the hilarious comedy **Dinner at 8, Dead by 9** presented by the 525 Players of St. Andrews. The show will be performed in Fellowship Center of Redeemer Lutheran Church, 525 St. Andrew's Road.

Our own Jim Boatwright is the director of all this frivolity.

This deliciously clever comedy mystery takes place around the head table of a banquet room where guests — including the audience—are expecting a dinner theatre show. But when the guest of honor, Eleanor Van Heusen, falls face first into her plate of spaghetti, the guests are suddenly witnesses to a murder! Luckily, Inspector Bungler is there to help solve this whodunit. To say the least, Eleanor wasn't loved by all. In fact, all her family members and even the chef have reasons to kill her. Hilarity ensues as they each reveal their own murder plans, yet all claim innocence.

See Jim for tickets! There is no set admission price, but a donation of $10 per person is suggested. All proceeds will benefit the Soup Cellar of Columbia

Lessons and Carols

December 20

Imagine a beautiful Christmas carol filling the sanctuary, the familiar words of Scripture telling the Christmas story, and the warmth and wonder of the season surrounding you. That's the heart of Lessons and Carols—a beloved Christmas tradition that brings together the beauty of music and the timeless story of Christmas.

So, what exactly is a "Lessons and Carols" service? It's a service of Scripture readings interwoven with Christmas carols and hymns.

Each reading unfolds another part of the Christmas story, while the music brings the season to life. You'll hear familiar favorites, experience the beauty of choral music, and have an opportunity to pause amid the busy holiday season to enjoy the wonder of Christmas.

Mt. Horeb will be celebrating this historic service during our worship time on December 20th.

And, yes, we will be singing Christmas carols during Advent.

Celebrate America Gala

Thanks to Bill Dukes and Blue Marlin for sponsoring our table, Pastor Ron and Esther Philabaum, Stan and Diane Senn and Stan Shealy attended the Celebrate America Gala at the new home of American Legion Post 193 on October 10.

The event, in addition to celebrating America's freedom and supporting the veterans who fought for it, was to raise money for Post 193 to pay off debt on their beautiful new building was sponsored by Chapin Women in Service. Those of us from Mt. Horeb enjoyed a gourmet dinner, dancing and socializing with Legionnaires, friends and associates.

Wreaths Across America – Mt. Horeb Cemetery

The Mt. Horeb Lutheran Church Cemetery Wreaths Across America event will take place on Saturday, December 19, 2026, at Noon, honoring 122 veteran graves with remembrance wreaths.
Wreaths Across America is a national initiative to Remember the Fallen, Honor those who Serve, and Teach our children the value of Freedom by placing wreaths on the graves of U.S. military veterans. At Mt. Horeb Lutheran Church Cemetery, the goal is to honor every veteran buried there.

You can:

- **Sponsor a Wreath:** Click the "Sponsor Wreaths" link on the official Mt. Horeb Lutheran Church Cemetery Wreaths Across America page to help reach the goal. Order forms are also available at the Welcome Center in the Narthex.
- **Volunteer**: Click "Volunteer" to join the wreath-laying ceremony
- **Invite Others:** Invite your family and friends to join in the remembrance.

Don Wise Presents Bible Trivia

On Sunday afternoon, Oct. 18, Don Wise entertained and educated us with Bible Trivia.

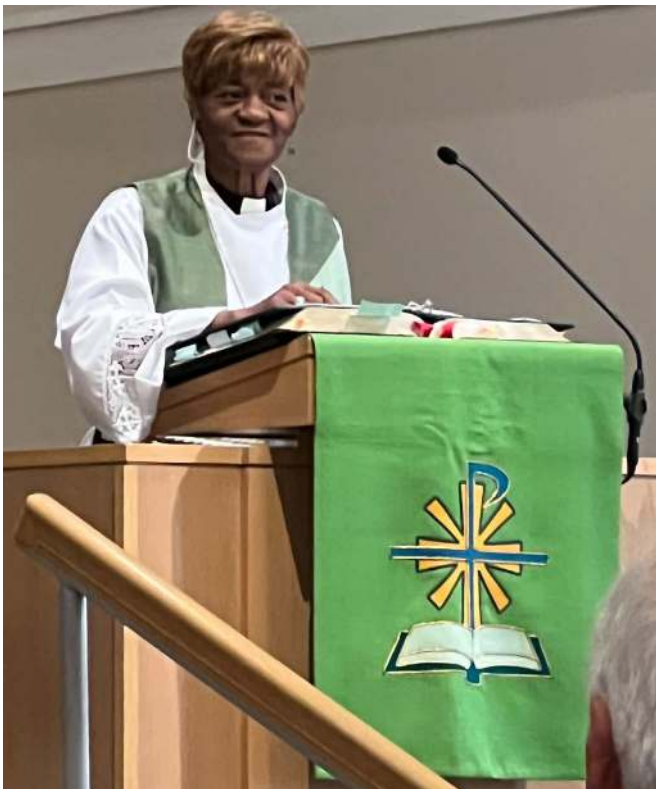

The Mount Welcomed Pastor Jackie

On WELCA Sunday, Oct. 18, Mt. Horeb welcomed to the pulpit the Rev. Jackie Utley, Pastor of Ascension Lutheran Church.

Having served the Eau Claire community and surrounding area for over a century, Ascension Lutheran has been led since 2013 by Reverend Utley; known to the congregation as Pastor Jackie. Pastor Jackie was the first African-American female to be ordained by the Evangelical Lutheran Church in America (ELCA) in South Carolina. Having grown up in the Pentecostal tradition, she was "Lutheranized" and ordained at the neighboring Lutheran Theological Southern Seminary.

Lutheridge and Apple Picking Trip

At Mt. Horeb in October we joined the Lutheridge 75th Birthday Capital Campaign Initiative: Light a Candle… Pass the Faith!

It was a joy to hear the stories, memories and connections of our members to Lutheridge. And we are thankful for the faithful ministry that Lutheridge provides for Campers, Families, and Friends.

Gifts to the Lutheridge Campaign make an amazing impact with updating facilities, building new spaces, and strengthening ministry for future generations. Already, new Hill Cabins and Pioneer A Cabins have been built to serve not only campers but will be used for family and group camp gatherings year-round. Updates have been made to Whisnant Chapel, the Faith Center, and Lakeside Lodge. The next phase will begin transformational updates to Efird Hall and Mission Hall as well as adding new landscaping and replanting trees lost during Hurricane Helene.

On Tuesday, October 6, a group of Leisure Timers took a day trip to tour Lutheridge and to pick apples. We enjoyed a delicious chicken bog lunch at the cottage of Stan and Diane Senn, and Diane conducted a brief tour of the campus. It was a special treat for us to see Lutheridge as it is today and to envision improvements and expansions for the future. The Leisure Timers made a financial contribution to the campaign in honor of Stan and Diane. Thanks to Travis Goodman and Thrivent for financial contribution and providing a van for our travels.

After returning home with apples, Kay Shealy of the Social Ministry Team shared apples with shut-ins Gerri Heintz, Ann Shealy and Robert and Hazel Smith.

Thank you to church members who have placed their Intent cards of Giving and/or Donations in the Offering Plate. For more information visit **Lutheridge.org/Campaign.**

Pastor Appreciation Month

Agape ladies recognized Pastor Ron for Pastor Appreciation Month with a presentation. We keep puzzles in the Fellowship Hall, and all hands work on them! Agape was happy to get this beautiful Tree of Life framed and presented to Pastor Ron in "Thanks for all you do!!!"

Leaving a Thriving Legacy

Planning today for peace of mind tomorrow

Thrivent Financial is offering a Zoom Virtual Webinar on this subject Thursday, Nov. 5 at 1 p.m. and 6 p.m. Financial Advisor Travis Goodman has announced special Watch Parties at Mount Horeb, with lunch at noon and program at 1 p.m. and dinner at 5 p.m. with watch party at 6 p.m. Q & A after each watch party. Everyone is invited.

Eric W. Bilger, FIC, Financial Advisor for Thrivent will discuss strategies to navigate life's unexpected challenges with confidence as we address:

- Essential estate planning documents everyone should have
- The purpose and role of a will
- Estate taxes and annual gifting limits
- How the probate process works
- Advantages of naming beneficiaries on accounts
- The SECURE Act 2.0 and its impact on retirement accounts
- Long-Term care planning: costs and options
- Charitable giving strategies and opportunities
- How qualified charitable distributions (QCDs) work
- Life Insurance: Creating stability for every stage of life

This event is designed for clients and their adult beneficiaries. Together, we'll address common concerns about planning for aging parents and protecting family assets. We encourage you to invite your beneficiaries to attend this educational opportunity.

Help Us Plan to Reach Young Families

The Church Council has agreed that young families and children should be a major focus for 2027. Now Pastor and leadership have to turn that into a plan -- a real one, for the rest of 2026 and all of 2027.

So where do you start? You ask.

We're asking two groups--Our members and the families that bring their children to our preschool every week--to answer a few questions in a survey.

The member survey is 19 questions. About nine minutes. It goes to everyone who has communed or given financially in the past two years, whether we see them on Sunday or not. The ones we haven't seen in a while matter most. They know something we don't.

The preschool survey is 14 questions. About five minutes on a phone. It goes home in the preschool folders. Most of those families don't have a church home. We want to know why, and what would make a Sunday morning work for them.

Both are online only, on a phone or a computer. Both are anonymous. No names, no email addresses. Nobody will call anyone about their answers. If someone wants to help plan 2027, there's a separate sign-up at the end, kept apart from the survey.

One ask of you. Take it yourself. Then think of one member you haven't seen in a while and ask them to take it too. That's the one we need most.

The surveys will close on Friday, Nov. 6 and the results will then be reviewed by the Council, prior to a leadership meeting.

The surveys are LIVE and available for access now:

Mt. Horeb Preschool – Where Every Day Is An Adventure

We are getting settled in and enjoying a wonderful start to the school year here at Mt. Horeb Preschool! We are thrilled to share that all of our classes, except for our 4's class, are currently full, and we have only two spots remaining in our 4's class! We are beyond grateful for the 60 children God has blessed us with this year. The Lord has provided more than we could have prayed for, and we are so thankful!

September was a busy and exciting month as we learned about community helpers. We were blessed to welcome visitors from the Chapin Fire Department, the Chapin Police Department, and the Lexington County Police Department. Our students loved learning about the heroes who serve and protect our community and even had the opportunity to explore and climb inside their trucks and vehicles!

October has been just as busy! Our students have been hard at work creating their art pieces for next month's Fall Art Show. As we wrap up the month, we will have our fall and class pictures taken and participate in our annual Trick or Treat on Beaufort Street. We are looking forward to all the fun and special memories these activities will bring!

November is shaping up to be an exciting month, especially during the week of November 9–12. We will be hosting our very first Fall Book Fair, presented by Gigi's Library in Prosperity! We invite you to stop by the Preschool Conference Room throughout the week to shop for books, support our preschool, and get a head start on your Christmas shopping. During this same week, we will also celebrate our special grandparents at Goodies with Grands and showcase our students' creativity at the Fall Art Show. We look forward to sharing these special events with our preschool families!

As we continue through this school year, we covet your prayers for our preschool families, children, and staff. Thank you for your continued love, encouragement, and support. We are so blessed to be part of such a wonderful community and are grateful for each of you as we work together to give our children the very best preschool experience!

Blessings,

Brittany Woodall
Director, Mt. Horeb Preschool

Our Labor Day Parade Float Was a Winner!

Mt. Horeb's 2026 parade entry won an honorable mention mention. Thanks to Brandon Miller as chairman and the entire float committee for a great job. The festival's theme this year was **Red, White and Service** and our float's theme was **Our Hands Doing God's Work at the Mount.**

Dedication of New Ground For We Care

The We Care Center, Chapin's Community Interfaith Outreach organization and emergency assistance charity, on its 40th anniversary, dedicated ground on Chapin Road at Mountain Drive in anticipation of expansion.

Stan Shealy, representing Mt. Horeb, was among those present for the event, hosted by the Greater Chapin Chamber of Commerce.

Executive Director Alecia Klauk said, "Forty years ago, this organization began with a simple belief: that when our neighbors face difficult circumstances, they shouldn't have to face them alone.

"Today the need is greater, our reach is greater, and our responsibility is greater. More than 1,000 people come to us for food and other necessities every month. Last year, we distributed approximately $2.5 million worth of food. We provided more than $200,000 in utility assistance. We provide scholarships, holiday outreach and many other programs."

Ms. Klauk said: "Soon we will launch a capital campaign to make this new facility possible. We'll be inviting individuals, businesses, churches, foundations, civic organizations and friends throughout this community to help us build the future.

"We're still early in the planning stages, so we don't have a final project cost of campaign goal today. Our first priority is making sure we develop the right facility for the community's needs.

"This expansion will give us the space and capacity to reach more families with food assistance, provide greater utility assistance, expand our scholarship and holiday programs, and create additional opportunities to respond to needs that we know will emerge in the years ahead.

Construction is anticipated to begin within the next year.

Social Ministry—Fall SONShine Bags

The Social Ministry SONshine Bags are a project to bring "Son"shine to our members who are unable to attend services.

During October, the congregation helped fill these bags with snacks, puzzles, notepads, pens or pencils or any other item that may bring a smile to our fellow members! They will be delivered by November 8!

The Social Ministry Team thanks you for your assistance with this ministry! The Visitation, Bereavement, and Card Ministry Teams are sub-teams of Social Ministry. The Visitation Team meets weekly with the pastor to keep up-to-date on our members who are unable to attend worship services regularly. The team then plans visits with those members.

The Bereavement Team has four sub-committees which plan and serve a meal to bereaved families usually after their family member's funeral. The Card Ministry Team sends cards to members for various celebrations or if a member is on the prayer list.

The Social Ministry Team meets on the first Thursday of each month at 10 am. We welcome anyone who would like to join our team or to join one of the sub-teams. If you'd like to learn more, please contact Deena Bishop at all4cu@gmail.com or Kay Shealy at kayshealy@bellsouth.net.

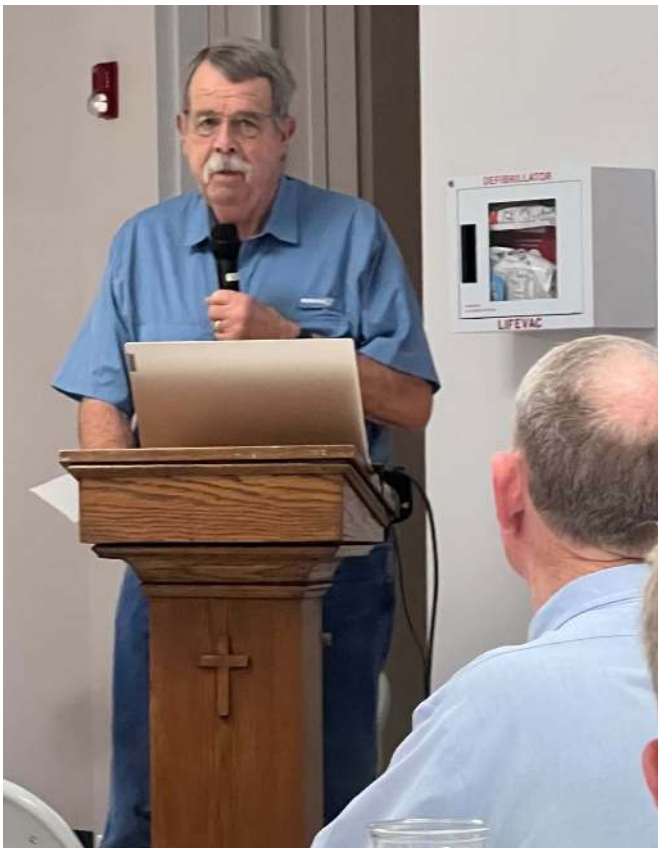

Lutheran Men in Mission

Focusing on Faith, Fellowship and Service

The Lutheran Men in October enjoyed a presentation on Ford Tractors by Don Wise and another by Chapin High School Athletic Director Billie Williams and Football Coach Carl Flowers about the school's expanding athletic programs.

Coming up on Nov. 9, Marion Frick and Joey Bishop will present a program about the German Lutheran Pastor, theologian and anti-Nazi dissident Dietrich Bonhoeffer. On Dec. 14 the Men will celebrate with a carol sing.

Property Committee Summary

Oct/Nov 2026 – Marion Frick, Property Team Chair

1. Dominion Energy Assisted Thermostat Replacement: Energy efficiency program to replace existing thermostats with **smart WIFI thermostats** will provide $7,000 for replacement of existing thermostats with MHLC contribution of $976. Given issues with the old and complex control systems modified many times over the years and difficulties in controlling access that have led to high electric bills, this conversion has been approved by Council for completion this fall.

2. Dominion Energy Assisted Lighting Replacement: Energy efficiency program is to replace older lighting units with more efficient lighting. MHLC took advantage of this program in 2025. Dominion has expanded that program to include recessed can-type lighting that was not allowed in 2025. This program will provide $6,559 with a MHLC contribution of $1,754 to replace 56 recessed lighting units. These units are old, failing, and cost approximately $300 each to replace a few at a time. Council has approved installation in 2027 (Dominion will provide only $7,000 annually for energy efficiency programs in any given year).

3. ADA Ramp Replacement: The new ADA ramp has passed inspection. Thanks to Joey Bishop for coordinating this project. Mountaintop Security is in process of scheduling the security system at the ADA ramp door.

4. Fellowship Hall HVAC & Kitchen HVAC: Replacement of the two roof-mounted HVAC units for the Fellowship Hall and the kitchen HVAC unit is planned before the end of 2026. Total cost is expected to be approximately $70,000. This project has been approved by the Council. These HVAC units are roof mounted and will require a specialized crane to remove the old units and install the new units. Modification of the roof curbs is also required.

5. Old Crepe Myrtle Stumps: Growth was cut from the stumps/roots of the trees removed last year at front of church along E. Boundary St. Trimming of crepe myrtle trees at other locations will be done during the fall/ winter dormant season.

6. Suspended ceiling tile painting: Added a 2nd coat of paint to the stained ceiling tile in the restrooms adjacent to the choir room.

7. Exterior Light at rear double red door entrance: Replaced light bulb.

8. Staff Offices Lock Keying: Re-key staff office door locks as soon as possible to provide better security for church files.

9. Pine Straw: Apply pine straw to appropriate areas of church property after leaves have fallen. Cost is approximately $3,000.

10. Leaking Faucets: Repaired 4 leaking water faucets at cost of $295.

Finance Committee Report

Russ Burleson-Chair, Lisa Smith-Treasurer, Rod Davis Vice Chair,Todd Soderlund, Tom Gvriffin-Council Rep, Pastor Ron Philabaum

The Finance Committee provides this brief report summarizing our financial results through September 30, 2026:

Cash Received: Cash receipts from offerings and interest totaled $395,332.76 through September 30, 2026, falling short of the budget by $72,747.74, a shortfall of 15.54%. Although offerings are well below our aggressive budget through September, please keep two important points in mind:

1.We purposely tend to set our offering budgets at "stretch" levels to help keep goals high and maintain our focus on growth;

2.Though offerings have fallen short of this stretch budget so far this year, they are growing at a 9% pace compared to last year

Cash Spent: Our spending through September 2026 totaled $398,653.25 which is $67,237.39 below budget—14.43% less spending than planned. Even with offerings growing 9% this year, spending through September is almost the same as spending last year.

Cash Flow: With total cash received through September of $395,332.76 and total cash spent of $398,653.25 our cash flow is negative by $3,320.49.

The good news is that because cash received is growing compared to last year and spending is almost the same as last year through September, our cash flow is ahead of last year's by $29,408.44.

Respectfully submitted,

Mt. Horeb Lutheran Church Finance Committee

Mt. Horeb Cemetery Update

By Tom Griffin

The Mt. Horeb Cemetery Team continues to make progress on several important projects. Work is underway to establish the **Mt. Horeb Lutheran Church Cemetery as a separate 501(c)(3) nonprofit organization,** which will provide a structure for future fundraising, grants, and cemetery improvements.

The team is also moving forward with the **historic nomination of the cemetery and historic cemetery wall,** in partnership with the Chapin Historical Association and BVL Historic Preservation Research.

Plans are also being developed for future cemetery improvements, including a **prayer garden, walking trail with Stations of the Cross, and a columbarium.**

The search for officers and members of the nonprofit Board of Directors has begun. We are grateful for the many individuals and organizations supporting these efforts as we work to preserve and enhance the cemetery as a **place of comfort, meditation, and remembrance** for generations to come.

Using Your Gifts... Why We Need You On Mt. Horeb Church Council!

Every person brings unique gifts and talents to our congregation, especially in the leadership role of serving on Church Council.

This is an exciting time of growth and change for our congregation as we work together to witness, serve God and be a part of guiding our Church's future.

Church Council meets once a month. Members serve for three years, and serve as committee liaison for selected committees. Reach out to our Vice-Chair Rod Davis or any Council member for more information, to ask questions, or to share your interest. Thank you for prayerfully considering this service.
